MODEL UNITED NATIONS

## What is MUN?

MUN is a United Nations simulation in which participants (referred to as delegates) represent various nations and engage in discussions and debates on global problems. It allows students to improve their knowledge of **International affairs**, encourage **Critical thinking**, and sharpen their **Public speaking** and **Diplomatic skills**. We promise to deliver a genuine UN convention experience to our delegates.

## PAST EDITIONS

MUN IIT I has conducted 4 offline & 2 online annual conferences successfully till now.

**IIT Indore**

**MODEL UNITED NATIONS**

## **MUN IITI 7.0**

MUN '23, IITI, is a three-day conference immersing young minds from India in diplomacy and negotiation. Participants assume diplomatic roles, gaining practical experience. It fosters an understanding of global issues and the complexities of leadership. With **Eight committees, and an International Press**, it enhances negotiation and persuasive skills. The conference encourages critical thinking, empowering delegates to generate innovative solutions for global challenges. MUN '23, IITI, cultivates personal growth, intellectual engagement, and essential skills for future leaders.

MODEL UNITED NATIONS

## MUN'23 VISION

### UNITE

Unity fosters a sense of shared purpose among delegates representing various nations. It allows us to rise above individual interests and work towards collective goals, such as promoting peace, resolving conflicts, and addressing global challenges.

### COLLABORATE

Collaboration allows delegates to pool their knowledge, expertise, and resources to address complex global issues. By working together, representatives can tap into different nations' collective wisdom and perspectives, fostering innovative and comprehensive solutions.

### INNOVATE

Innovation drives progress and allows us to find new and creative approaches to tackle persistent problems. By embracing innovation, MUN delegates can think outside the box, challenge conventional wisdom, and propose transformative solutions that have the potential to create lasting impact.
